DETAILED ACTION

Response to Amendment

- This Office Action is in response to applicant's amendment dated June 24, 2004. The 1. applicant's remarks and amendment were considered with the results that follow.
- 2. Claims 1-25 are pending in this application for examination. Claims 1, 5, 8, 11-12, 14-16, 20-21 and 25 have been amended, claims 2, 17, and 22 have been cancelled and claims 26-28 have been added. Therefore, claims 1, 3-16, 18-21, and 23-28 remain pending in the application.

Claim Objections

3. Claims 1, 14, 16, 20, 21, and 25 are objected to because of the following informalities: it is unclear what the limitation of "realistic time" is referring to. Specifically, no definition has been given to "realistic time" in the specification. Appropriate correction is required.

Allowable Subject Matter

4. Claims 3-13, 15, 18-19, and 23-28 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

5. This application is in condition for allowance except for the fallowing formal matters stated above.
